

AGRO PRODUCTS

from UKRAINE

Oils

sunflower oil

Acid - max 4,0 mg KOH/g
Moisture - max 0,2 %
Peroxide - max 7 mmol/kg
FFA - max 2 %

soybean oil

Acid - max 4,0 mg KOH/g
Moisture - max 0,3 %
Peroxide - max 10 mmol/kg 1/2 O
Phosphorous-containing
substances recalculating to
stearo-oleo-lecithin - max 0,5 %
Flash point - max 225

Meals

sunflower meal

Moisture - max 10 %
Ash - max 0,1 %
Fat Acid - max 2 %
Protein- min 39 %
Aflotoxin - max 20 %
Cellulose - max 23 %
Residual amount of a
dissolvent (petrol) - max 1 %

soybean meal

Moisture - max 12 %
Protein, on dry basis - min
50%
Fiber, on dry basis - max 7%
Fat, on dry basis - min 0,7 %

Grains and Legumes

**soft
milling
wheat**

Moisture - max 15 %
Grain admixture - max 5%
Foreign Matters - max 2%
Aflatoxin - max 20 ppb
Gluten - 23-28 %
Protein - 11-14 %
FN - min 250, NON GMO

**yellow
corn**

Moisture - max 15 %
Grain admixture - max 5%
Foreign Matters - max 2%
Aflatoxin - max 20 ppb
Protein - 6-11 %, NON GMO

soybean

Protein - 30-55 %
Carbohydrate - 20-32 %
Fat - 13-26 %
Cellulose - 2,9 - 11 %
Ash - 4,5- 6,8,

Flour

**wheat
flour
extra
class**

Moisture - max 15 %
Wet Gluten - min 24 %
Ash - max 0,55 %
Protein - 10, 3%
Whiteness - min 54
Falling number - min 160

**wheat
flour
first
class**

Moisture - max 15 %
Wet Gluten - min 25 %
Ash - max 0,75 %
Protein - 10,6 %
Whiteness - 36-53
Falling number - min 160

Dairy products

milk powder

Milk fat - 1,5 %
Carbohydrate - 50 %
Protein - 32 %
Ingredients - skimmed cow's
Wrapping - kraft-sack, 25 kg

Milk fat - 25 %
Carbohydrate - 37,5 %
Protein - 26 %
Ingredients - whole milk powder
Wrapping - kraft-sack, 25 kg

condensed milk

Fat - 8,5 %
Carbohydrate - 58,3 %
Protein - 7,2 %
Ingredients - whole cow's milk, sugar
white crystalline (min 43,5 %), milk
sugar (lactose)
Wrapping - CHUB - pack, 4 kg

Package

Delivery

Performance

Being many years on the market, Alphacosta continues to develop the culture of consumption of cereals and oil crops, and sunflower oil in particular. Namely, the direction of exports of high-quality agricultural products in the Ukrainian market. Our services are appreciated by partners from European and Asian countries.

We have developed options for exporting products of AIC. Our company is accompanying not only at each stage of delivery (according to the contract), but also observing all the norms of quality services (experience, competence of our colleagues, partners). Using our services, you save your time and money, and the most importantly - get a reliable partner in the field of exports.

Alphacosta is interested in expanding the geography of exports, building long-term transparent and mutually beneficial business partnerships in the field of exports.

Thank you!
